Dear Robin:

I recently learned that the Tampa Bay Beaches Chamber of Commerce was named the 2012 Chamber of the Year by the Florida Association of Chamber Executives. Congratulations on this great accomplishment!

It is an honor to recognize an organization that is committed to helping serve the area businesses from Sand Key to Pass-A-Grille on receiving this distinguished award. Not only do you spend countless hours advocating on issues and concerns on behalf of your area and its businesses, but you also provide services and assistance to help make your members and the business community at large, successful. I applaud your commitment and success.

Please also accept my congratulations on being named the 2012 Florida Chamber Professional of the Year. Your organization's success speaks volumes of your leadership!

Please let me know if I can ever be of assistance to you. Thank you for all that you do for the Tampa Bay Beaches and for our great state. I wish you unlimited success in the future.

Sincerely,
