In approximately the 2005 timeframe, the beach community cities had successfully combined all beach Chambers of Commerce to form the Tampa Bay Beaches Chamber of Commerce. Since the creation of this business-minded membership organization, the City of Madeira Beach has recognized the Tampa Bay Beaches Chamber of Commerce as the official Chamber of Commerce for the Madeira Beach Business community. As an awarding winning business organization, this group has repeatedly assisted the businesses in our community when needed and continuously promotes visitation to our destination.

We appreciate your time and dedication to our fine city and we look forward to cooperating with you in the future.
